**SIGNATURE BLENDS**

Coffee blending is the art and science of mixing different single-origin coffees together to create a balanced, well rounded flavor and aroma.

Few coffees have everything. It is nearly impossible to find a complete single-origin coffee. For that reason, we had to think and create inspired signature coffee blends for those people who think in terms of blends and persist in looking for perfection in their cup of coffee.

*Brazil*  
**Low acidity – Medium body**  
**Nutty and chocolaty flavor**  
Brazilian coffee's unmistakable flavor and aroma surfaces brilliantly in this "classic" and custom blend that mixes dark roasted and medium roasted Brazilian beans. Since Marjeioun is one of the top coffee drinking regions in Lebanon, this perfect blend suits the taste of its original inhabitants and is dedicated to them!
